STATEMENT OF RESPONSIBILITY

The accompanying Consolidated Financial Statements are the responsibility of the management of the Town of Port au Port East and have been prepared in compliance with legislation, and in accordance with generally accepted accounting principles established by the Public Sector Accounting Board of the Canadian Institute of Chartered Professional Accountants.

In carrying out its responsibilities, management maintains appropriate systems of internal and administrative controls designed to provide reasonable assurance that transactions are executed in accordance with proper authorization, that assets are properly accounted for and safeguarded, and that financial information produced is relevant and reliable.

The Council of Municipality met with management and it's external auditors to review a draft of the Consolidated Financial Statements and to discuss any significant financial reporting or internal control matters prior to their approval of the finalized consolidated financial statements.

Darren Roberts, Chartered Professional Accountant as the Municipality's appointed external auditor, has audited the Consolidated Financial Statements. The Auditor's report is addressed to the Mayor and Members of Council and appears on the following page. Their opinion is based upon an examination conducted in accordance with Canadian generally accepted auditing standards, performing such tests and other procedures as they consider necessary to obtain reasonable assurance that the Consolidated Financial Statements are free of material misstatement and present fairly the financial position and results of the Municipality in accordance with Canadian generally accepted accounting principles.

Jim Cashin

Mayor

Florence Barter

Town Clerk

Independent Auditor's Report

To the Council Members of Town of Port Au Port East

Opinion

I have audited the financial statements of *Town of Port Au Port East*, which comprise the Comprised Statement of Financial Position as at *December 31, 2020* and the Statements of Surplus, Statement of Change in Net Financial Assets for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements present fairly, in all material respects, the financial position of *Town of Port Au Port East* as at *December 31, 2020*, and the results of its operations and cash flows for the year then ended in accordance with Canadian Accounting Standards for Public Sector Accounting Bodies (PSAB).

Basis for Opinion

I conducted my audit in accordance with Canadian generally accepted auditing standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Town in accordance with the ethical requirements that are relevant to my audit of the financial statements in Canada, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with PSAB, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Town's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going-concern basis of accounting unless management either intends to liquidate the Town or to cease operations, or has no realistic alternative but to do so.

When individuals responsible for the oversight of the financial reporting process are the same as those responsible for the preparation of the financial statements, no reference to oversight responsibilities is required.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally auditing standards, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of the Town's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Town's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Town to cease to continue as a going concern.

• Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

February 23, 2021

The Mayor and Councillors of The Town of Port au Port East

In compliance with the requirements of Section 91 of The Municipalities Act, 2001, we report as follows on the audit of the accounts of the Council for the year ended December 31, 2020.

1. Expenditure in relation to budget

Expenditure at \$482,180 was within the limits of the approved budget.

2. Arrears of revenue

Taxes and rates receivable totalled \$4,903 at December 31, 2020. Of this amount \$4,785 has been outstanding for one year or longer, while the balance of \$118 represents arrears on account of taxes and rates levied in 2020.

The allowance for doubtful accounts amounted to \$50 at December 31, 2020. In our opinion the allowance is adequate.

3. The manner in which the accounts have been kept and the adequacy of the safeguards against fraud.

The position in these respects was considered adequate.

4. Sufficiency of bonds

Fidelity bond coverage of \$50,000 is carried on the employees of the Council who are in a position of trust. In our opinion, the coverage is sufficient.

Town of Port au Port East

Notes To The Consolidated Financial Statements

For The Year Ended December 31, 2020

1. Nature of Business

The Town of Port au Port East is a municipal government incorporated pursuant of the Province of Newfoundland and Labrador's Municipalities Act. The Town provides and funds municipal services including fire, public works, recreation and other government services.

2. Significant Accounting Policies

The financial statements have been prepared in accordance with Canadian generally accepted accounting principles as recommended by the Public Sector Accounting Board (PSAB) of the Canadian Institute of Chartered Accountants and reflect the following significant accounting policies:

a) Basis of Consolidation

The financial statements include all the assets, liabilities, revenue and expenses of the reporting entity including local boards and committees.

b) Cash

Cash includes cash balance and bank balance.

c) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to the acquisition, construction, development or betterment of the asset. Assets under construction are not amortized until the asset is put into use. The cost of the tangible capital asset is amortized on a straight-straight-line basis over their estimated useful lives as follows:

Buildings	25-50 years
General equipment	5 years
Transportation infrastructure	20-30 years
Vehicle and equipment	20 years
Water and sewer infrastructure	30-50 years
Sanitation infrastructure	20 years

d) Revenue Recognition

Revenues are recognized as earned and when collection is reasonably assured. Tax rates are approved annually by Council.

e) Use of Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles for the public sector requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates.

Town of Port au Port East Notes To The Consolidated Financial Statements For The Year Ended December 31, 2020

6. Restricted Funds

The Town of Port au Port East has \$20,335 of gas tax funding included in cash that is restricted to approved community investment projects by the gas tax secreteriat.

7. Budget

In accordance with the Province of Newfoundland and Labrador's Municipalities Act, every council must adopt a financial plan for each fiscal period in a form approved by the minister. The financial plan is prepared on a revenue and expenditure basis that does not meet the recommendations of PSAB. For comparative purposes, the Town of Port au Port East has modified its financial plan to prepare a budget that is consistent with the scope of accounting principles used to report the actual results. The budget figure used in these financial statements have been approved by Council. The reconciliation between the Municipality's cash based financial plan and the PSAB accrual based budget figures used in these statements is disclosed in Schedule 8 - Reconciliation of the Financial Plan to the Budget.

Auditor's Report

To the Mayors & Councillors of the Town of Port au Port East

We have audited the annual expenditure report for the Town of Port au Port East as at December 31, 2020 with the criteria established by local government gas tax funding agreement. Compliance with the criteria established by the provisions of the agreement is the responsibility of the town's management. Our responsibility is to express an opinion on this compliance based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the Town of Port au Port East complied with the criteria established by the provisions of the agreement referred to above. Such an audit includes examining, on a test basis, evidence supporting compliance, evaluating the overall compliance with these criteria, and where applicable, assessing the accounting principles used and significant estimates made by the town.

In our opinion, as at December 31, 2020, the Town of Port au Port East is in compliance, in all material respects with the criteria established by the gas tax agreement.

Stephenville, NL March 29, 2021
