Discussion:

Port au Port Regional Volunteer Fire Department – Emergency Coverage

Motion # 138 – 24 - A. Barry/K. De Groot

The town council has received notification that the volunteers of the Port au Port Regional Volunteer Fire Department have resigned and are no longer able to volunteer due to personal reasons. This leaves the Towns of Port au Port East, Town of Port au Port West, LSD Campbell’s Creek and LSD Point au Mal/Fox Island River without fire protection until we are able to find and train more volunteers. As this is something that will take indefinite amount of time, we need to ensure we have fire protection for all residents that are affected until we are able to provide this service once again. We need to reach out to surrounding communities to ask for aid.

Be it resolved that the town clerk/manager will contact the Town of Kippen’s and the Town of Stephenville to advise of the current situation with the Port au Port Regional Volunteer Fire Department and request emergency fire coverage be provided by either or both towns to areas that are currently receiving fire coverage services from the Port au Port Regional Volunteer Fire Department.
