

Chapter 11

Burning & Dumping

Burning & Dumping

Burning

1. No burning shall take place within the Town of Port au Port East unless permission has been received from the Department of Natural Resources and the Fire Chief to do so and all precautions have been taken to prevent uncontrolled fire. As much as possible, any burning will be discouraged and any open burning that does take place must comply with Department of Environment in this regard.

Dumping

2. No dumping shall take place within the Town of Port au Port East unless (a) it is for infilling purposes; (b) it must be environmentally acceptable material appropriate for infilling purposes; and (c) it must be in accordance with the Town’s Municipal Planning Strategy.
3. The Town itself may choose to dump inert materials on a temporary basis in an area designated for such purposed on Town owned lands.
