***“Urgent Notice”***  
***To All Residents of Port au Port East***

Due to an extremely low amount of water in the towns reservoir, we are asking all residents to please ***CONSERVE WATER***

until further notice, there cannot be any washing cars, driveways or watering lawns.

The Town hopes that these measures will work because if not, then we will be forced to shut down the water system for part of each day.

The town apologizes for any inconvenience that this may cause.

Mayor Cashin, Councillors and Staff  
For the Town of Port au Port East.
